HMBR FALL BALL REGISTRATION

To the Current and Future Players and Parents of Hopkins/Minnetonka Babe Ruth:

Welcome to the 2010 Hopkins/Minnetonka Babe Ruth Fall Ball season!

Fall Ball gives players an opportunity to continue to hone their skills while being exposed to changes they may see the following season. Games will be played on fields set to the dimensions that will be used at that given age level next season. Additionally, players have the chance to be introduced to rule changes prior to the new season.

We are planning to have games with Hopkins, Minnetonka, St. Louis Park, and Plymouth teams again this season. Typically there will be one practice per week and games will take place on Saturday and/or Sunday afternoons from early September through mid-October. There will be free substitutions, round robin batting, and a high degree of participation for all players. We encourage kids to be involved in other fall activities and expect those activities to take priority during the season. We want to encourage all players to take part, even if it is their second fall activity.

Please complete the online registration at www.hopkinsbaseball.com. Fall Ball questions can be directed to Dan Makey, Fall Ball Coordinator, at fallballcoordinator@hopkinsbaseball.com.

Please remember, dedicated and committed volunteers run our league. We are currently looking for a number of people to be on the board of directors for next year. New board members will be elected in August and start their term in September. If you are interested, please contact Ned Ostenso at baberuthpresident@hopkinsbaseball.com. In addition, please consider one of our coaching positions for fall ball and next year's regular season. Working together, we can provide an excellent baseball opportunity for our kids.

For further information or updates, please refer to our website at www.hopkinsbaseball.com.

On behalf of the Hopkins/Minnetonka Babe Ruth Board of Directors, I would like to thank you for your continued support. We look forward to a great fall season!

Ned Ostenso
HMBR President
